HEY THERE!

I'm Collin Morgan!

You may already know me from Hip2Save, my frugal living website that keeps millions of readers up to date on all of the latest coupons, hottest promotions, clever shopping tips, delicious recipes, and fun DIY projects. My passion for saving money paired with my love of the keto diet is how Hip2Keto was born! Prior to keto, I was a yo-yo dieter, constantly trying to find what would make my digestive system feel better. After trying multiple diets, medications, and taking trips to the doctor on many occasions, I decided that giving keto a chance was right for me. And since jumping in over 6 years ago, I have never felt better! Getting to spread that same keto joy to all our readers is where our partnership together will thrive.
